

Look at this  
aeroplane. It's  
really big. This  
plane can take

over 300 people to the other  
side of the world. Have you  
been on a plane? It's really  
exciting. The most exciting  
part is when the plane takes  
off and lands. I love flying!

Look at this aeroplane.

It's really big.

This plane can take over 300 people
