

This is a fishing boat. It sails on the sea. It sails very early in the morning to

catch fish. In the afternoon it comes back to land with lots of fish. The fish goes to market and people buy the fish for their dinner. Fresh fish is wonderful!

This is a fishing boat.

It sails on the sea.

It sails very early in the morning to catch fish.

In the afternoon it comes back to land

with lots of fish.

The fish goes to market and people buy the fish for their dinner.

Fresh fish is wonderful!
